### Ain't it the Truth!

HOW GIRLS KISS.

The Horton girl bows her stately head,  
And fixes her pretty lips  
In a firm hard way, then lets 'em go  
And sips, and sips, and sips.  
The Fairview girl with a hungry look  
And tightly fastened eyes  
Snatches her kiss like one closing a book  
Then right about turns and flies.  
The Falls City girl has a way of her own  
In a soulful clinging way,  
She takes a kiss that's just as big  
As a wagon load of hay.  
The Highland girl gets a grip on herself  
And carefully takes off her hat;  
She grabs the man in a frenzied way  
Like a terrier shaking a rat.  
The Robinson girl says never a word  
She's so gentle, timid and tame;  
As she sweetly smiles and gently sighs  
But she gets there just the same.  
But if you want a perfect kiss  
That will set your head in a whirl  
You reach the acme of earthly bliss  
When you kiss a Hiawatha girl.  
Hiawatha World .
